

HARBOR COLLECTION

*Combining simplistic style and
functionality for economical solutions*

HARBOR COLLECTION

The Harbor Collection is a cost effective line of casegoods designed and crafted to provide functionality and value for lasting performance. The simplistic style of the maple wood grain laminate, along with the black side panels and trim, provide a timeless modern appearance. These products are made with a melamine surface to protect against scratches and watermarks and are edged with either 1mm or 3mm PVC tape on all edges of the panels to increase durability. The sturdy construction utilizes a coated particle board which makes this product appropriate for the budget-conscious environment.

You may request a sample laminate chip from your account representative.

Note: The inherent characteristics of wood's color, texture, and grain make it impossible to guarantee an exact duplication of this sample.
